

The photograph was taken in the airspace in the vicinity of the Pottinger Peak on 12 August 2024. It has been edited and processed with computerized imaging techniques to illustrate the approximate appearance, surrounding environment, buildings and facilities of the Development. Prospective purchaser should note that the Development is still under construction, and the photograph does not reflect the actual external appearance, view or surrounding environment of the Development or any part thereof on completion. The view, surrounding environment, buildings and facilities of the Development might change from time to time. The photograph is for reference only, and shall not constitute any express or implied offer, undertaking, representation or warranty by the Vendor. The Vendor also advises prospective purchasers to conduct an on-site visit for a better understanding of the development site, its surrounding environment and the public facilities nearby.
